Community Giving Program

Bank Iowa is committed to the betterment of the communities we serve by investing both economic and social resources in donations, sponsorships, public relations activities and community-related events.

We receive many requests for support, and to ensure we continue our tradition of community involvement and compliance with Community Reinvestment Act (CRA) regulations, we have established the following set of guidelines.

General Guidelines

- Contributions are considered for community-based organizations conducting charitable work in the Greater Des Moines market area
- 501(c)(3) non-profit organizations are preferred
- Bank Iowa clients are given preference over requests from non-customers
- All donation requests must be submitted on the Community Giving Request Form
- Requests should be made at least 30 days before funds are needed
- We do not make contributions to individuals, government agencies, political organizations, campaign causes or candidates, or for lobbying or religious purposes

Giving Opportunities

- **Monetary donations or sponsorships.** We support locally-based non-profit organizations.
- **In-kind donations.** We make in-kind donations of merchandise and logo items for non-profit events.
- **Volunteers.** In addition to supporting our local community organizations financially, our volunteer program allows employees to give their time and talents without taking vacation or flex time. If your organization needs volunteers, let us know.
- **Facility usage.** Our conference room is available to non-profit organizations that need meeting space, subject to availability.
- **Financial education.** Members of our team are available to speak on a variety of topics including financial literacy, first-time home buying, investment planning, fraud prevention and more.

How to Apply

All requests must be submitted on the Community Giving Request Form. Submit your completed form to your local Bank Iowa (Altoona, Johnston or West Des Moines).

Bank Iowa unfortunately cannot support every worthwhile organization that seeks funding. Some requests which meet all the criteria outlined herein may be turned down due to budget constraints or lack of resources. If we are unable to grant a request, we will notify the organization in writing.
